

WELCOME TO THE 26TH SEASON AT PREMIERE STUDIO OF DANCE!

Since opening our doors in 2000, Premiere Studio of Dance has proudly served the Peterborough and Millbrook communities, offering high-quality dance education and exceptional training opportunities. As we celebrate our 26th season, we're excited to launch into another year filled with growth, creativity, and inspiring classes for both Recreational and Competitive level dancers.

2025-26 REGISTRATION OPENS: Monday, June 16th, 2025 at 6:00 PM

Registration is completed online through your Parent Portal at www.premieredance.ca. We encourage early registration, as many classes fill quickly. Should you have any questions throughout the registration process, please refer to our summer office hours or contact us directly — we're happy to assist you! We also offer several payment options and flexible plans to meet your family's needs (see details on page 3).

RECREATIONAL PROGRAM

Our recreational program welcomes students of all skill levels — from brand new beginners to experienced dancers. We've included a helpful *Guide to Recreational Classes* (pages 6 & 7), organized by age group to assist you in selecting the best class options.

WHAT'S NEW IN 2025-26

We are thrilled to welcome Matthew, Katy, and Holly to our teaching staff this fall, each bringing fresh energy, talent, and expertise to our already outstanding faculty! We are also excited to welcome Jess back from her maternity leave, where she will continue to work closely with our competitive students, sharing her extensive ballet knowledge.

This season brings a variety of exciting additions across both our Recreational and Competitive Programs:

- **New class styles** offered for various age groups — look for *NEW* marked on the Class Schedule (page 8).
- **Millbrook Studio Flooring Update** — We're excited to be laying brand new flooring at our Millbrook Studio this summer, which allows us to expand our programming to include tap classes at this location!
- **Expanded Competitive Options** — Additional class opportunities for more age groups and levels in both Millbrook and Peterborough, providing even more dancers the chance to grow and challenge themselves.
- **Session-Based Programs Continue to Grow** — Adult Classes, Parent & Tot, and Mini Movers continue to be offered in convenient shorter sessions throughout the season. We are pleased to introduce additional Parent & Tot options in Millbrook, and the addition of a Friday Mini Movers session at our Peterborough Studio.
- **Technique-focused ballet classes** for our competitive level dancers — new this season, these required classes will focus solely on building strong technique through the BATD syllabus, helping dancers strengthen their foundation and support growth in all styles. With no recital routine, dancers will focus throughout the full season on building their skills, and in turn will feel confident and prepared for their dance exams.

INTERESTED IN COMPETITIVE DANCE?

Premiere Studio of Dance is proud to be Peterborough & Millbrook's most awarded Competitive Team, offering a well-rounded program emphasizing technical growth, artistry, teamwork, and personal development. Our Competitive Team participates in four competitions across Ontario, a Competitive Showcase in March, and the full Studio Recital at season's end (see dates on page 2).

We're excited to embark on another incredible year of dance, growth, and community with our PSD families. Whether you are returning or joining us for the first time, our team is here to make your dance experience rewarding and memorable!

IMPORTANT NOTES:

2025/26 Season begins Sept 3, 2025 and ends June 13, 2026. Competitive level & pointe class enrollment require teacher approval (highlighted grey). Bolded titles indicate 2025 competitive dance routines. Recreational level classes are indicated with 'Rec'. Classes are 45 minutes in length unless otherwise noted. Classes are subject to change; the Studio reserves the right to cancel classes due to low enrollment or adjust class days and times as needed (up until December 15, 2025). Classes labeled with (Gr #/Level) will follow the corresponding grade level of the BATD syllabus for that style. Competitive class levels are designated as follows: A = Full-Time; B = Part-Time. For full Studio Policies and Code of Conduct please review the 2025/26 Season Registration Package prior to completing registration.
